Function

Charging

- Powered by a 13.5V DC power supply
- When charging, the red light is on and goes out when fully charged.

Bluetooth

- Press and hold the POWER button for 2 seconds, then the green LED light on the rear control panel flashes when it enters the pairing state.
- Enable Bluetooth on your phone. Find and choose "WOW AUDIO MyFlair" from the list.
- The green LED Light on the rear control panel will stay on when connected to the mobile phone.
- To disconnect, long touch the PAIR button

Mode

- Touch the MODE button to cycle between Line in (AUX) mode and Bluetooth mode, accompanied by voice prompts.

Volume Control

- Touch the VOL+ button to increase the volume
- Touch the VOL- button to decrease the volume

Pause/Play Music

- Connect your mobile phone and touch the PAIR button to pause and play music.
- In Line in mode, touch the PAIR button to mute music.

TWS Function

- Turn on both MyFlair speaker systems at the same time.
- Double tap the PAIR button on one speaker (this will be your Master Speaker), and you will hear a beep tone.
- The MyFlair supports 3.5mm Line In (AUX) mode with TWS Function. Tap the MODE button to switch from Bluetooth mode to Line In (AUX) mode. To go back to Bluetooth mode, just tap the MODE button again.
- Every time you turn both speakers on, it will automatically connect as a pair.
- To disconnect TWS, double tap the PAIR button of the Master Speaker for 2 seconds.

Auto Shut Off

- When there is no audio signal or active Bluetooth connection for 20 minutes, the speaker will automatically shut off.

This product is equipped with a rechargeable lithium ion battery inside. Do not disassemble or tamper battery. Risk of fire or injury.
